

Equipment for the *Sajama* Agro-Industrial Technological Institute, Oruro (SDAF 0027)

Equipment for the *Sajama* Agro-Industrial Technological Institute, (SDAF 0027)

Project Description:

Youth from *Corque* tend to migrate in search of new opportunities and jobs. The municipality has created an agro-industrial technological institute that serves 100 students and continues to grow. The SDAF provided much needed materials such as TVs, DVD players, projectors, cameras, furniture, etc. which will improve the quality of education and learning.
